The Story:

Amelia pulled an excellent condition on me tonight. We arranged a meeting via phone. We were to meet in Reading in front of the Isis Hotel. She asked me to bring cash up front. I thought this was odd, since paying up front is always standard. However, I assumed she'd experienced some timewasters in the past so I thought nothing else of it.

When the time arrived, she met me in front of the hotel and asked me to walk with her for a moment. She explained that she had neglected to get cash for the hotel and asked me to pay some so she could book the hotel. She explained she'd call me as soon as she got to the room and got ready.

Starstruck by this gorgeous young redhead, I stupidly complied. In about 90 seconds I realised I had been had. Really stupid me!

So down ?180 and having gone home all got and bothered. And of course, I met her on that other site....
