The Story:

Had been wanting to visit Teena for a few weeks now and finally got the opportunity last weekend. On entering flat, was asked to remove shoes & trousers and wash hands. Her attitude needs getting used to but then again it's her flat. She's reluctant to answer any questions about anything. Nevertheless she gave a decent enough bj (with condom), had a little moan about my pubic hair, but the sex was good - i think she enjoyed it aswell, finished me off with owo but not c.i.m. I think you need to visit more than once to get the full effect of her goodies
