The Premises:

Nice clean modern apartment, easy to find and only a few minutes walk away from the tube station. I went there Saturday afternoon, but would feel comfortable going there at night.

The Lady:

Normally, I expect the photos of the girls on site to look a little different (i.e. airbrushed and younger!) than in the flesh. However, Satine is the exception to the rule. She truly is as young and sexy as the pictures show her. She's early to mid twenties, tanned, toned, blonde and not too busty (but I go for that!).

The Story:

She was very good at what she did, however, she didn't do anything that I didn't prompt. And so I felt like I was telling her what to do constantly.

But like I say, everything she did was superb and I didn't regret it at all. Only one minor crit was the lack of eye contact.
