The Story:

Ignore the ?10 above, it was actually free and I could not put 0:

Thanks to twitter, timing and Mr and Mrs Divine, I got a free 30 mins with Karolina(my choice, I actually switched from Ella after seeing Karolina offers CIM). I was a tad worried beforehand about the service for someone who was not paying a penny, though I had planned on paying for the extra half hour for a full hour, but limited funds put paid to that. However I had no need to be worried...

Karolina is a great girl, I told her I was a little inexperienced and she took charge but not in a forceful way. Owo was exquisite and she actually moved us over to the mirror so we could be 'porn stars'! She was very vocal and told me she liked it over her face, I was happy to oblige but I had run out of the good stuff after fucking her in mish, doggie and cowgirl. As per the other reports, french kissing and deep oral seems to be something she enjoys, and she does it well!

Truly truly wonderful punt, I will definitely be going back to spend at least an hour with Karolina. She restored my faith in HoD after a very underwhelming punt a few weeks back with another girl.

Highly recommended.
