The Premises:

Nice place , basement of a terraced house , allow good 15 mins or so from the tubes ,few mins off Kings Road.

The Lady:

Very pretty Brazilian girl , lovely dark eyes and long black hair , petite but the proverbial Latino curves all in place ie fantastic bum!! Enhanced boobs but nice , big nipples . Friendly , lovely smile.

The Story:

Really nice relaxed time , just had to massage her beautiful curvy soft arse with oil for as long as I could , she appreciated it! Gave me very nice owo , very expert in this , then had gorgeous mish fucking session . More relaxing and some mutual massage then she grabbed my cock and worked me up for seconds , no prompting required ! Banged away in lots of positions but I couldn't find any more cream so soon !But I really appreciated the way she wanted me to fuck her and me to cumm again ! No worries , just had a laugh and it was time to go .Really sweet girl , soft and friendly , would love to see her again soon. Has fair amount of Anglais for a chat , nice time.
