### The Premises:

nice private house in a safe area near Morriston Cross/traffic lights.

### The Lady:

Absolutely gorgeous young sexy lady. Long curly brown hair, fit tanned body and the unmistakable scent of a woman.

### The Story:

I had seen her details searching the net for escorts in Cardiff when I hit upon this site which also had a Swansea address. The Swansea scene is not good but as I hadn't heard of the place I wanted to find out more and possibly save a 2 hour round trip east.

Viktoria's pics were so stunning I smelled a bit of a rat - she was classic bait. Anyway I gave a ring and spoke direct with Viktoria and arranged for a meet in an hour. She answered the door and WOW! The pics were genuine alright! Absolutely gorgeous brunette, size 8, small but nice tits, great little ass and she said I could see her mate if I wasn't satisfied with her, I had a boner FFS. (Her mate was an equally stunning blonde Sophie.) Both girls were Polish but the spoke English and their accents only added to their allure.

Vik took me to the room and left me to prepare for too long if I'm honest as I started to wonder if I had been "done". However, I was wrong as she returned and stripped off her bikini outfit. She started a bit of a mechanical massage and sadly kept contact to a minimum, would not kiss or let me touch her intimately - a bit of a disappointment as FK, anal play and body to body were on her "enjoy list".

I wasn't going to let my chance of a fucking a stunner pass and so just made the most of her hands & oral as she pulled and sucked (covered) on the old fella. I asked her to ride me which was about the only thing she said yes to and I enjoyed watching every thrust and jig of her gorgeous body as my cock climbed into her pussy over and over until the inevitable explosion of hot sticky cum filled the rubber.

Needless to say she didn't stay around too long afterwards and I gathered my things and got dressed.

Not my best punt but still enjoyable.
