The Premises:

always the best..clean smart and friendly..nice receptionist Becky to
make you feel at home ..
safe & secure

The Lady:

young slim pretty girl, whose 32c boobs are better than expected as her frame is small.. nice inverted nipples that respond well and a shaven downstairs with nice lips

The Story:

for her 1st ever day working Electra was excellent though she admitted to being a little tense edge..we started with simple cuddles and kisses, then into OWO followed by RO ...
a little more OWO then an excellent finish with the mac on...
Really warm and tight ...I dont often achieve a climax but this girl triggered me off easily..
a very nice time was had especially as the last NEW young girl I sampled here was a little disappointing.....
I will be back for more
