The Story:

Angelina turned up on time looking a million dollars and greeted me with the same sexy smile Id seen in her pictures but its not the same as the real thing! Quick walk up the prom to my favourite restaurant for dinner and her chat was perfect in all areas. Just time for a game of air hockey in the arcade proved shes up for a laugh at everything- air hockey in an evening dress is a must! Back to my place and she undressed me and french kissed before slipping her dress off to reveal she was naked! Amazing bj and cof to calm me down, then every position in the book (and a few that werent) followed all night long- she let me get a few hours at 4am! Woke me at 7 with her unique alarm call (another bj) and we went down for breakfast before sadly saying goodbye. A totally amazing experience all through!
