The Lady:

Long legs, bottom to die and worship for and a fantastic slim toned busty figure, topped of with silky dark brown long hair.

The Story:

Dont need to write a novel as it couldnt describe how great she is. Sadie is fantastic, she takes time to listen to what you want then delivers in spades. It could be when she is looking directly at you while she licks and sucks your cock like the cat that has got the cream ...or driving you on to lick her to a climax she is a star. You are a goddess it's true Sadie !
