The Premises:

A 2 story town house in Lancaster Gate

The Lady:

7 Ladies attending: Caroline, Ashley, Jasmine, Kelly, Alycia, Jewells & Helena, but unfortunately Ashley had to leave just 30 mins into the party

The Story:

My first Lady Marmalade Party, having been to 2-3 others elsewhere. Generally a good event, but you can't help get the feeling that the 3 parties a day, with 12 men attending each (actually 14 at this one) make the girls a little tired. However, I walked in a little late to see a mass of naked bodies, with 4-5 of the girls flat on their backs being fucked by at least one man each.

I showered & changed into the gown provided, and was shown to a room where 2 of the girls were hosting a man each on one double bed, and a third was being licked to orgasm on a chair. Watching for a while gave me a full hard on, and at the signal of one of the girls, I started fondling her ass. What a pair of peaches! She then invited me to rubber up and gently fuck her from behind. What followed was 2 hours of being rubbed, sucked and fucking 6 out of the 7 girls. My only regret was I never got to feel Ashley's wonderful breasts, and I wasn't able to cum in Helena's ultra tight pussy.

But generally a good evening, when else do you get to fuck 6 girls while watching a full hard core sex show live!

Service Provider's Rebuttal

The establishment writes:

Whilst I am pleased that the author says he had a good time at the party, I am some what puzzled by a couple of comments he makes. Firstly, he says that doing 3 parties a day makes the girls a

little tired but goes on to say what followed was 2 hours of 'being rubbed, sucked and fucking', Hardly the sign of tired girls! . Secondly, the line up he quotes was the one advertised both on our site and on Punternet for that day. However, Jewells was feeling unwell and we sent her home at the end of the first party (3pm) She was replaced for the next 2 parties by Jade. Ashley partied all day and did not leave during the evening party. In fact, during all our years of holding parties,we have never ever had a girl leave during a party. We always maintain our promised ratios and that evening, there were 7 girls and 12 guys.
