The Premises:

This parlour is in a flat in a large house in a well-to-do residential area.

The Lady:

The most attractive escort I've ever seen - simple as that - and I've visited numerous agency girls in London at ?250-?350 per hour. I've never seen a poppet with such long, slender, shapely legs, such a cute little bum or such big, beautiful eyes all in one tall, stunning blonde package. Her breasts are a nice handful too.

The Story:

Vanessa is such a lovely, friendly girl - and genuinely Italian too. We kissed and cuddled, which I like - and I was deliciously turned on as I fingered her pussy and admired her endless thighs and pretty feet as she stroked my penis. She sucked me expertly and I came in ecstasy after a bout of passionate shagging. We had a nice chat and another cuddle afterwards. Highly recommended!
