The Premises:

Honeyz is fine, welcoming and clean. The area surrounding is ok, and is your typical East London area so don't expect green and pleasant leafy suburbs.

The Lady:

Martha is about 21. Asian about five feet 2, short black hair. Stunningly pretty, with C to D sized breasts. There's no doubt in a parlour, she would be your first choice.

The Story:

It was a bit of a wait at Honeyz - about 30 mins, but they can't help that. But it was prolonged by the first girl who came back down.
She's Afro-Carribean - Venus I think was her name. Unless she'd just had a bad punter, then she clearly has an attitude. I heard the maid say go into the room, a customer is waiting. When she appeared around the door, she stayed there, didn't smile, and walked out.
Clearly, I wasn't going to pick her. Indeed, I hope that Honeyz have a think about what impression that gives, as normally things are top notch here.
But now onto the good stuff.
Martha couldn't have been more different. A lovely greeting, and as mentioned above absolutely stunning.
Up to the main room, which I really like at Honeyz. It's cool in summer, warm in winter. It's large, well away from the entrance, softly lit and hence feels very relaxing.
Martha came in smiling and singing, and immediately stripped off. A very pleasing figure, with large natural breasts for an Asian girl.
She offered a massage, but heavily suggested we do that after the sex.
I agreed, and she climbed on top of me for a good feel and grope. I put my cock between her breasts, which felt lovely. She also smelt wonderful, which is a great added turn on.
Then onto the oral, which was fantastic, the best I've had for ages.
It was deep throat, with some wonderful tongue flicking, and Martha was in no hurry to finish.
No complaints - but this almost brought me to the edge.
I had that in mind, as I climbed on top of Martha. I had a feeling it would not be a marathon session.
I was right. Martha was tight, and the sight of her with her eyes closed on the pillow was incredibly affecting. However, I am pleased to say I did last long enough for it to be enjoyable.

Then the promised massage followed.
This was excellent, a profession massage and not a parlour massage, and she managed to get everywhere in 10 to 15 mins. We had a couple of kisses at the end, and I thanked her for an outstanding service.
Once again, a top notch experience at Honeyz for an excellent price. Long may it continue, as long at they keep a watch on staff like Venus.
