Anonymous apartment block in Milton Keynes. Clean - perfectly acceptable standard.

Fabulous. Tanned flawless skin. Stunning eyes - the photos don't do her full justice.

The Story:

This is my first field report, but Angel was so good I felt I had to let people know what they are missing out on. I booked her for a 45 minute tie and tease on a reflex after being let down by another establishment and she was simply fantastic - I'm not doing details as what she offers is very clear (and I enjoyed most of them) - but suffice to say that after 20 minutes I asked if we could go on for the hour. She made every minute count and was great company. She made me feel very relaxed and got completely into it herself. Brilliant stuff - I will be returning.
