The Premises:

Secure entry flat in the centre of Glasgow. Very discrete.

The Lady:

I have seen the lady on several sites and using different names (Sylvia being one) and on each her pictures are very accurate; long blonde hair and legs and a very shapely figure. Very pretty and the type of girl you would approach in a club.

The Story:

As with her name I've seen Lea describe herself as both Swedish and Swiss. It's difficult to tell if either is correct as she has a mixed accent with a strong Glaswegian influence. Not that that matters as it is looks, personality and technique that is important and this lady has all three.

My only regret is that I only booked 30 mins with her.
