### The Premises:

The apartment is in a well-lit, respectable area and there is an intercom system. Parked easily and Sandy guided me in.

### The Lady:

She is gorgeous! Lovely toned body, great breasts and a rear to die for.

### The Story:

Sandy was immediately friendly and put me at my ease. She was dressed in red basque and fishnets. She was very willing to please, and changed her clothing at one point. We started with some touching and kissing, before she got to work on the old chap. Brilliant OWO (she gave me the choice), oral on her and rimming on her, before anal in doggy, which was great. We chatted about South Africa before Round 2. She masturbated me (to no avail!- long day at work...) so, in the end, I came over her lovely tits. Overall, very satisfying, good company and just what the doctor ordered. Lovely, lovely lady.
