### The Premises:

Fairyspells is situated on College Street in Wrexham...with a pub and a cafe closeby it can be awkward going there if there are a lot of people around but luckily for me things were pretty quiet.

Inside is very clean and nice...in fact I was so relaxed waiting to see Roxy in the other room I came close to falling asleep.

### The Lady:

Roxy is a tall stunning brunette with a figure and a personality that I wont ever forget if I am unlucky enough never to lay eyes on her again.

### The Story:

I dont really want to say too much about what happened other than it was the best ever time I have spent with a working girl...suffice to say Roxy is very very affectionate...passionate and very attentive. She made me feel more than good.

This was not just sex without feeling...this was real good sensual loving.

Next time I do see her it will be for the full hour. Without shadow of a doubt.

Would I recommend to others? No I want to keep Roxy to myself.
