The Story:

Here is the short review: WOW?.!!!

Here is the long review: BLOODY HELL..!!

And if you need to read more, here?s the slightly longer review: I was in London and an hour spare so decided, go for it and book an Angel.

She is simply amazing and I was totally blown away by her looks: tall, busty, slim, dark haired, total hardbody and dear god in heaven, the tattoos..!! I loved them..!! She looks like a pornstar, goes like one, and can quite easily put a pornstar to shame. She is pure, undiluted pornographic filth..!! (In a very good way) Nothing was out of bounds: she demands and gives a mind blowing pounding in every position you can manage. Let?s just say that the only boundaries you face are your own.

But what really struck me was this, she is warm, friendly, chatty, touchy feely, charming, bubbly and a great personality. A lovely lovely girl.

The only downside; 1 hour is not enough???not because you do not get the opportunity to do everything sexually possible but because you need the time to recharge. She just doesn?t stop..!! She is a mad, sexual whirlwind that will leave you breathless and shaking.
