The Premises:

Beautiful flat in South Kensington in a very trendy area near Natural History Museum. Very discreet 2 bedrooms 1 ensuite and additional bathroom. Sadie's room used was the ensuite one. Very Spacious. The maid is very friendly. From tube station it is approximately 5 mins walking distance

The Lady:

Sadie is English, extremely beautiful, very sexy, fantastic well toned, fit body, very busty and firm DD breasts, sexy, very smooth legs and a great down to earth personality. Great Sense of humour too.
Facially Sadie has dark hair and dark eyed, beautiful complexion, naturally very beautiful

The Story:

Sadie is really friendly, before the session she listens carefully to find out what your interests and fantasies are and then makes them come true.

Sadie wore a very sexy figure hugging black leather mini dress

I regularly see Sadie who I have seen in other establishments but is the first time I have seen her in House Of Devine.

Sadie is simply the best. She is great to talk to as well.

Sadie specialises in domination but enjoys being submissive and is very open minded. She also gives a very good massage but on this occassion I wanted to be dominated and also for Sadie to be submissive later on.

The sex was amazing especially when she was on top, I got both of my nipples twisted extremely hard at the same time. I enjoyed rimming her and later gave her a spanking on my lap in front of the mirror over a chair.

I then made Sadie kneel in front of me on her knees while I sat on the chair in front of the same mirror where I could see her extremely sexy bottom being exposed while still wearing the same leather dress. I made her suck my cock while discussing very dirty and extreme fantasties with each other.

I then later climaxed by the use of her hand

Afterwards we had a nice chat and left feeling very happy. Will of course see her very soon.

Would highly recommend seeing her.
