The Lady:

Gabbi is a very sexual lady. Her best feature are her eyes, breasts and legs, but her main appeal is her attitude. She was very well turned out in a sexy black stockings and heels

The Story:

Despite punting for a good number of years (reports back to 2003) I've only used Max twice and both in the last month. My mistake! Gabbi has outstanding attitude in that she tries very hard to maximise your enjoyment and is very skilled at most of the things you could reasonably ask a girl to do.

Her deep thought is deeper than any I've seen, she will lick and suck your balls, lick your bum, does cunnilingus. Although I didn't use any there was an array of toys on the bed and A was available if I wanted it. The most important thing about Gabbi is though is that she goes through the motions, she will change position, speed, rhythm or angle to maximise your pleasure. What Gabbi is not is a sweet young thing who giggles who smiles and lets you get on with it, although I guess she could be if you asked. What she is a savvy switched on girl who tries to get into your mind to maximise your pleasure.

I had an extended reverse cow girl 2nd time around which was excellent with Gabbi trying numerous angles to hit the tight spot before I came in a flash.

It's an overused phrase on this site to say treat her well and you will get maximum return, but in Gabbi's case I think it is relevant with spades. Given the services she offers there is a danger of clients forgetting she's a human being as well, but if you keep that in the back of your mind this girl will go the whole nine yards for you...and more. A real star

Great attitude really enjoyed it thanks Gabbi - Tom
