The Premises:

This was a modern, terraced house at the end of a cul-de-sac. Plenty of parking and quite discreet. Inside was spotless and modern, so no complaints.

The Lady:

I would estimate her to be in her mid to late 20s, dark blonde/brown hair, about 5 foot 3 and with a 34d bust. Not bad looking, but not pretty either. Works also as "Claudia" in Ambience in Slough.

The Story:

Amber described herself as Spanish (the maid had said on the phone that she was English), but was most definitely from Eastern Europe.

Actual massage was OK, but there were a couple of things that put me off. One was of some red rash on her chest and the other was that prior to receiving OWO (for which I had paid ?20 extra), I was taken by Amber to the bathroom, had to pull my foreskin back and then had to splash hot water over the end of my cock. This was uncomfortable and definitely spoiled the moment! I don't mind when girls give a clean using a baby wipe to prepare for OWO, but this was like being in some sort of clinic!

After all that, Amber's OWO wasn't really much to write home about. Sex was better, as she has a good, tight pussy, which was enjoyable to pound.

I would return to this establishment, but I would give Amber a miss.
