The Premises:

Sauna in main road where you step into a little entrance and then pay ?10 admission fee through a slot in a glass hatch. Inside there were 6 young ladies (teenagers) wearing white masseuses' uniforms and sitting on a padded bench that ran around 3 sides of the room. Friendly atmosphere and they even smiled at an old git like me and made me feel welcome.

The Lady:

Tall, pretty, Czech Republic girl with a thin body and yet the most enormous, shapely boobs. They are huge!

The Story:

Hmm! Nice time! She was relaxed and really knew her job; covered, spirited 'O' followed by an easy-going penetration. I seemed to be coming for a long time, but she indulged me totally. I was touched when she said, 'See you again.' She has a pleasant attitude. She is a must for all big boob worshippers!
