### The Premises:

Club Fantasy Parties located in Croydon, great location, off street parking, very private & secure

### The Lady:

Sam was super sexy. Short lady very buxom & sexy

### The Story:

It was advertised as a gangbang and Sam didn't disappoint, she started by some lovely OWO for all the guys present then the gangbang truly started. All sex was covered, whilst I was fucking she had two cocks one in each hand and another skull fucking her. All other guys stood close enough to see the action.

This is the first time I've attended one of these parties and I will definately return, my only wish is why I didn't start this experience earlier in my punting history.

Club Fantasy Parties are a 5\*\*\*\*\* star experience
