As per pictures. Little pocket rocket or sumptuous little f**k bunny. Very attractive with lovely smile and wonderful derriere.

The Story:

More of a summary of a few visits than just this one. The fact I have returned on a few occasions should be a recommendation in itself.

The first time I met Mei I had a great time. She bowled me over with her enthusiasm. A few visits later and we seemed to have developed a rapport so each visit is a pleasure. Mei remembers what turns you on and what you like. Her sense of fun and adventure means she's willing to respond to requests. As well as the sex being great an having variety, she gives a wonderful massage and can offer a sensual and tempting erotic dance.

She has the raunch to set you off if that is what you are after, but is also a great girl to make a regular.
