The Premises:

Tidy flat with discrete entrance. I parked around the corner near the shops. She keeps the flat clean, and the bedroom smelt fresh.

The Lady:

Sasha is just a gorgeous, slim, petite blonde girl, I'd say about 22, or maybe a bit less. A pure bundle of sex.
When I got to her flat, she had just got out of the bath, and smelt lovely and fresh. I just couldn't wait to get my hands on her. She was wearing a very short mini as I had asked, with no knickers. This was just so sexy I was ready to have a good time straight away!

The Story:

Sasha has a delightful nature - friendly, and I felts she wanted us to have fun together. After the paperwork, we went into her bedroom and she helped me undress, and we cuddled and kissed. Off with her blouse,
and fumbled a bit with her bra, but was I rewarded! Perfectly shaped pert tits. She seemed to love the attention I gave them with her tongue,and when I reach down to play with her, she was already moist.

We then rolled on the bed, and after some more caressing, I couldn't wait any longer and entered her in missionary position. Wow did that feel good, and her sexy, smiling face was just too lovely..

She said she was new to the business, but she is not new to giving a man pleasure..

The only problem I had is that she was a bit too tight for me, and I didn't last as long as I would have wanted... but afterwards we cuddled, and she let me play with her pussy, and I think she came, quietly, but flushed and gripping my finger!
What a delight. I'll be back soon, Sasha!
