The Premises:

Very discreet back entrance but when you get in the flat it is grotty. Felt safe as it was daytime but nighttime might be different

The Lady:

Was given the choice of a brazilian and a russian girl. Was going with the brazilian but she had been booked up so had to go for the russian. She was 5ft 4 but an exact description would say she was anorexic she was probably a size 0

The Story:

Should have cancelled the punt when offered the only option of the bathroom as the one bedroom was in use. As this was a new option for me thought might as well give it a go. Started off with oral with and then cowgirl me on a chair and her straddling me. I then lifted her as she was so light and carried on. I then asked for a handjob as i could not get penetration as she was dry. Didnt have far to travel to wash up lol
