Tall, extremely leggy brunette. Sparkling green eyes and a winning smile. Large b cup pert boobs and the most perfect bottom.

The Story:

Sophia is only the second escort I have seen and although the first appointment went well, I still had first time nerves. Contact with Sophia previous to the appointment ha been good. I arrived at the flat and was greeted by Sophia in an extremely sexy black dress that showed off those amazing legs. Just the thought of them wrappe round me made me weak at the knees. Sophia offered me a drink which I accepted and after a few mins very pleasant chat she leaned in and started kissing me. DFK was on the menu an I ordered it! From then on, as requested, Sophia led the way with confidence. She stripped off and let me suck on those delicious nipples, and I worked my way down to give her what I hope was a pleaurable licking. She certainly seemed to enjoy it. She then went on to give me an excellent BBBJ which nearly had me exploding but I held my ground and we went on to enjoy several positons before I came. After tenons I though we might just have time for round two and asked for a toy show which I was given. Sophia really seemed to enjoy it and I certainly did . For me Sophia was the perfect escort. She is intelligent, funny and damn sexy and as a relative newcomer she definitely won me over as a regular!!
