The Premises:

Nice clean top floor apartment not far from the city centre. Easy to find as she gave me the street address and I simply put it into my sat nav. Easy to park with no nosy people looking, so I felt totally safe. Ideal for incall visits. Jazz is great on the phone and makes it easy to book an appointment.

The Lady:

I called Jazz before our appointment and she said she was a really sexy latino chick and promised me a good time. From the minute I saw her, I was getting excited and any nerves I had previously went out of the window. Long dark hair, nice slim but curvy figure (thats just my opinion). Just see for yourself because I am not very good with numbers and sizes etc.

The Story:

Spot on appointment. I feel this superb lady will give anybody a good time and what you looking forward to going back for me. I just wish had won the lottery at the weekend then I could just book her full time 7 days a week :) Nice full personal service, everything safe as it should be. Plenty of spice but I wont go into complete details as this will spoil it for any visitors! Of course I would recommend!
