The Premises:

Well described in previous reviews. Really easy to find and literally opposite the VW dealership. 2 minutes walk from Sainsbury's car park. Clean and tidy inside, with a woman's personal touch. Always felt safe and comfortable while I was there.

The Lady:

Diane is as previously described, not a spring chicken, but a great personality, so put's you at ease right away. Long light brown hair, nice breasts, clean shaven and eager to please.
Joy, I would guess is a little older, short dark brown hair, smaller breasts, clean shaven and just as eager to please.

The Story:

I rang first of all, to make sure they were still open and for directions. I spoke to Joy, who was polite and very helpful. Once there, I initially opted for Diane, but once she told me of my options, I had to go for the 2 girl, full on lesbian 3 some, as I had always fantasised about having one. As I lay on the bed, both girls stripped and joined me. At that point, I realised the bed was not really big enough! Both ladies are very passionate and into each other, so were very relaxed about the 3 some. I would say that Diane is the more passionate between the two. So we started with kissing, which then turned into one performing oral, then the other, then both! They then turned on each other for DATY, before letting me try on both of them.
Then it was time to slip on the condom and Joy rode me first in cowgirl. Diane was all over each of us while we fucked. Then it was Diane's turn to ride me, while Joy sucked on her tits. It was a nice touch when Joy got off me, Diane sucked my condom covered cock and licked off all of Joy's juices. To finish off, Diane gave me a bbbj to completion, then I managed to pull a little more from myself, which Diane eagerly sucked off again.
We spent a while chatting and I found them to be lovely ladies, who love their job and are honest. I had a really great time and totally enjoyed myself.
So if your looking for experience, a relaxing time and honest prices, then Diane's could well be the place for you. I will return, which is something I rarely do.
