The Premises:

Having had a recent very bad experience with another lady I returned to see Laura after several years since my last visit. Would have seen her before but she is always so damned busy its often hard to get a booking!!
Nice place, easy parking, pleasant to do business with, with great communication, making the entire process easy.

The Lady:

Laura has some professional pics on her site, and they just don?t do her justice. She is very sexy indeed, with a pair of the finest boobs I have ever seen, and is drop dead gorgeous all round, with a very pretty face. She is also very nice to speak to, and puts you at your ease straight away. I would love to book her for a theatre even or similar just to see the jealous looks on peoples faces!

The Story:

Superb blowjob, is a non hurried relaxing way, that gave me the impression she was really enjoying her work, and since I love to CIM, she really is the girl for me. Sex was equally good, and I feel silly now for looking elsewhere recently.
Her website is ?a very special escort? ? that says it all really.
