### The Premises:

Nice well maintained flat in a pleasant leafy suburb. Ample parking available right outside.

### The Lady:

Gorgeous. Blonde bobbed hair, lovely green eyes, nice face, a natural look with little make up, sexy curvy figure. Chloe was also stunningly turned out in black lingerie, stockings and killer heels.

### The Story:

This was a novel experience for me as I knew absolutely nothing about Chloe before going in to see her, in fact I'd never even heard of her. I had actually gone to see another girl but she had to drop out at the last minute and had arranged for Chloe to see me instead. Having travelled a fair distance, I certainly didn't want to have made a wasted journey so I had little hesitation in agreeing to see Chloe. So I made my way to the flat with a little trepidation but also an element of excitement at not knowing what to expect. Well as soon as I laid eyes on Chloe and we instinctively fell into each other's arms and started kissing passionately, I knew I'd made the right decision. The next hour or so was very enjoyable, what I would call a genuine girlfriend experience with lots of kissing, holding and caressing amid flurries of exciting sexual activity. We each came twice and I actually managed to give Chloe an orgasm just from pleasuring her nipple, which was a first for me. Chloe is good company and well capable of holding intelligent conversation. We soon discovered some mutual interests and were able to have a good chat. Overall this was a very nice experience with an exciting sexy girl. Having set off to see another girl, seeing Chloe instead turned out to be a very pleasant surprise.
