### The Premises:

The Retreat is tastefully furnished. Showers on offer. A large room was available, which i had booked for an hour.

### The Lady:

Jessica I can honestly say is one of the best if not the best lady I have had the pleasure to meet. Jessica is tanned all over, pierced tongue and naval and a couple of tattoos, so slim and sensuous Jessica is one of the most beautiful women I have ever met. Physically stunning and very good company. Jessica has other pursuits outside of work, which requires a great deal of intelligence and hard work and I hope she succeeds in her goals.

### The Story:

For a few years now I have read the reports on Jessica and have always wondered, could she be that good?!

She is !

Jessica is seriously fit and I had trouble keeping up with her. Most things were on offer which Jessica did with the up most care and attention.

The ceiling mirror was a fantastic addition to the room, which allowed me a wonderful view of us both, while we spent our time together (Jessica kept peeking as well !)

While the sex was fantastic, the conversation was very good as well, which added to the overall wonderful time I spent with Jessica.

Jessica is every mans dream when it comes to full on sex. I don't know if Jessica would appreciate a full blown account of our encounter, but if she reads this and doesn't mind I could always fill in the gaps !

I had booked for an hour, but on getting changed I had been with Jessica for 1 hour 20 mins.

I cannot fault Jessica in anyway and I hope to repeat my visit in the not to distant future

Thank you Jessica.
