The Premises:

Fascinating place! The main room is large and feels like a crypt (which apparently is was for a while during the war!). Clean as always, discreet with good on-street parking outside.

The Lady:

Beautiful! Tall leggy brunette, with longish hair, come to bed eyes and gorgeous pert breasts. Having never met Lucy before, I was determined to put this right!

The Story:

Lucy is a lovely young lady who did everything possible to make sure that I had a good time. I usually like to make a booking for an hour, but today I was in a little bit of a hurry so had to make do with half an hour. Lucy did not rush me, however, and gave me what was a true GFE with some lovely kisses and lots of hugs and cuddles. I only wish that I could have spent longer with her and I will be back to do so!
