The Story:

I have seen here several times before, once as a duo with Tori. All visits utterly enjoyable. Wonderful kissing, DFK, to get me in the mood, but I was already that way. With an hour to spend, thought I would spend a little extra time on RO this visit, where I may have given her a couple of O's or more, but wasn't counting.
She returned the favor with nice deep OWO. I brought my own cover, the deluxe brand with bumps and ridges, for a little added fun, so we did a little mish. I hadn't cum yet, after 30 minutes, so rested a few before she finished me with energetic and incredible CIM and some swallow followed by a nice juicy kiss.
Spent the remainder of time laying there, recuperating, talking, and admiring her smooth body. Helen is very friendly, and intelligent, making me feel so comfortable, it was like I had known her before. Or maybe it is just wishing that other girls are like her. A real 10 in my book. I'll be leaving MK in a month to work elsewhere. Hope I get to return just to see her.
