The Premises:

clean and safe, but massage benches only. this is more than compensated for by the reasonable prices, as has been mentioned before.

The Lady:

Light skinned mixed race girl with medium length black hair, 5'5" size 10/12 mid 20s natural 36e,lovely firm bum.very friendly girl.

The Story:

good firm propper back massage, moving to plenty of attention to balls. turn over to give good firm hand job to get me properly hard. then good long covered oral, both while i played with her fantastic tits,the real deal to the point that i rather neglected other parts of her lovely body. then to sex with her on her back on the end of the bench and me stood playing with her clit and tits(again!)then rooled her over to standing doggy finish inside her.
