The Premises:

Nice flats between Beckenham junction station and the Bath store, meter parking outside flat or just along the road a ticket carpark, but evenings plenty of free spaces. I felt safe, maid comes and lets you in, her English is not to good so be aware of this, she can text you the full address, but as a bit of advice the flats have two entrance doors, you need to use the door at the left of the building, but its easy really.

The Lady:

As the advert on ACEmassage, typical Oriental lady, nice large nipples to play with, average figure. Just a point to bring up, I'm not sure if I heard her name right so it could have been something like May, my fault I should have got her to right it down.

The Story:

Went for OWO and sex, choice of hard or soft massage which was ok, she spent ages with her tongue teasing which was nice then on with the Jonny and away she went, no earth shattering orgasm from her which makes a change, perhaps not a good actress!
A nice way to end the hard day at work.
