The Premises:

Hotel. Not bad in terms of getting past reception. My choice so no complaints

The Lady:

5 foot 6, size 10/12, natural 34C tits, long dark blonde hair, shaven pussy, girl-next-door looks, nicely dressed (outerwear), her lingerie didn't stay on long enough to note

The Story:

Had a good GFE+ session. Good kisser, likes a bit of titty chewing, excellent deep BBBJ, clean and sweet pussy for RO, took three fingers, got well hot but didn't boil over ;)

On with the cover and Ashley took it deep in mish and doggy. Very helpful and cooperative, seemed intrested in maximising my pleasure. Cowgirl was good but not great so I put her on her back for the my first finish. Nice cuddles and chat then back to work. More covered penetration, mish best. Condom off, my second shot went down her throat.

A bit more chat after cleanup. Friendly girl, very experienced, good attitude. Will def see again.
