The Premises:

Maisonette above a row of shops, a call to Georgia and she will tell you which bell to press, a few properties in the block so nobody knows where you are going. Georgia let me in and I had the pleasure of following her up stairs, and what a sexy bum. Cambscol has at last broken his rule of DON'T SEE ANYONE ON YOUR OWN DOORSTEP. I'm so glad I did.

The Lady:

Georgia is a very attractive black lady in I believe late twenties very shapely and kissed like an angel. I took a shower even though I had taken one 30 minutes before, I have always felt the ladies are reassured if they see you shower. My drink was brought to the room.

The Story:

Following an early snog and our hands exploring each others body Georgia sat on the edge of the bed and gave me the most wonderful OWO whilst I played with her breasts. Her nipples are clearly very sensitive and her breathing became intense.

69 was divine and the action was punctuated with lots of kissing cock sucking and her pussy tasted gorgeous during the whole visit. I suggested we play with ourselves and eye contact was good. Back to fingering and a finger up the arse was enjoyed by us both (not sure she would allow this for anyone but I did feel I was lucky).

Because I only live a 10 minute walk away from Georgia it will be oh so easy to visit far too regularly. Hope my bank manager understands the dip in my bank balance. Thanks Georgia from the local boy XXXXX.
