Notes: Formerly in Slough

The Premises:

Average semi, a bit scruffy from the outside, much better inside. A little overlooked by shops but not really too much of an issue.

Inside was tidy and the room I used was great for jiggy jiggy fun.

The Lady:

5'7 or so, very attractive busty blonde with bobbed hair, natural tits of a nice size, dressed in black lingerie, stockings and heels. Man, she was pretty.

The Story:

Was going to pop over to a mates house and have a 3-some with him and his wife but situations change and I was left high, dry and horny. Got onto the mobile web and searched for laceys. Spoke to the helpful maid and decided for a luxury punt. Arrived half an hour later, entered and waited in the waiting room, listening to Zoe getting boned and reading the crap, well fingered porn mags. After an age Louise invited me into the nice service bedroom. We decided on the ?100 40 min service with a bit of everything. She left me to get naked and I lay on the bed. On her return she quizzed me on my preferences and we went a little bit dom. She kneeled on the bed and I worshiped her ass, pussy and heels, she then donned a strap on and got me to kneel on the bed as she fucked me. It was a small strap on and I surprised myself with the ease it went in. Worrying. She then fucked me in mish for a while and wanked me. Then she put a few fingers in to massage my prostate and milked it, I came but nothing came out and I remained hard. Strange but nice. Then I fucked her in doggy for a while before I off loaded into her waiting mouth.

Great session with a high quality girl, well worth another visit. The website has a few other hot looking girls to try but I'd have another go with Louise in a heartbeat.
