The Premises:

Entrance direct from busy main road, but lobby keeps you out of view. Girls open locked inner door to let you in. Lounge basic but comfortable and staff friendly.

The Lady:

Alexi looks the part: young, slim, just over 5 foot tall, short blonde hair, great makeup, pink fishnet minidress, white OTK stiletto boots, sexy undies. You couldn't ask for better.

The Story:

Alexi was very busy. She offered me a cold drink while she went upstairs with another punter. A few minutes later she came back down and up we went to the small back room - basic but cosy. Once in the room she came over and french kissed me and then we got down to business with lots of DFK, great oral without, then sex in missionary. This girl is amazingly good and deserves her reputation. Her kissing is second to none and very vigorous during sex. For the price she is a must see - but only works Tuesdays at Fantasia.
