Sadie has exotic features, a perfect backside and beautiful skin. Very pretty indeed

The Story:

A good touch from Sadie was she asked me what I liked. To that I said I wanted her to be submissive + GFE.

She started off gently kissing me on my lips which I found very arousing, especially she had bright red lipstick on which I really like. Got her to fully strip naked and immediately took her dainty toes and I started sucking and kissing them. This was getting me into the mood so turned her around and inserted a finger into her pussy and licked her out. Had sex in doggy, while she was giving me vocal inspiration, and I pulled on her hair as I was riding her. Next was mish while we kissed and I could look at her pretty face.

Finally I asked her to masturbate while I wanked myself off to a satisfying climax.

V happy that Sadie is now working for HOD as I visit here the most. Would love to see her again
