Beautiful Pakistani lady.

The Story:

Busty and fair skinned Pakistani lady. She looks like her pictures, pretty face and very long hair. Booked Nadina for an hour. I was asked to call on arrival. Nadina let me in, she was wearing a black dress which I assume is their uniform as the other girl in the flat was wearing the same thing. Nadina was very friendly and offered me a drink first. After we sorted out the gift, she started by giving me a well needed massage. Her touch was soft and firm as well. During the massage, she really worked on my shoulders, which felt fantastic.

She took off her uniform and revealed beautiful full breasts in sexy red underwear. Definitely a great pair of melons, big, full and firm. After a good suck on them I went south and gave her a good licking. She returned the favour by giving me deep, long oral. We tried a few positions which she was more then happy to do. I had to finish with her riding me so that I could get a good look at her bust. She offered me another massage at the end, which was a great end to the hour. Nadina is a very nice, sweet lady. I had a fantastic time and highly recommend her.
