The Story:

I have read a lot of reports but never felt strongly enough (good or bad)to write one. well that has changed. First, she can actually do a proper massage - if you want one . i needed one and it was excellent. i wish i had booked longer. The body to body was fantastic and she has genuine eroticism that words cant describe so i will make one up. it was wahhhhhaggggghbewwoooooow ! thnks JJ xx
