The Premises:

Nice semi basement flat but light and very clean. You get final directions on a first time visit once you are nearby. Flat is a very quiet street with its own private entrance.

The Lady:

Lauren is a buxom lady in her late forties. Lovely large eyes and an especially magnificent pair of boobs.

The Story:

I have always had a memorable time with Lauren who I rate right at the top in OWO. She is a mistress in the art of bringing you to near a climax and then prolonging the process several times till the final explosion which is swallowed.

Importantly Lauren is not a clock watcher and delights in glass of wine and a good chat. She also has an extensive porn video library depending on your tastes.

Frankly an amazing experience and fantastic value.
