The Story:

Tania texed me her Postcode on the morning of the meet, I rang from the street at 2.05 and she then gave me the house number, all very efficient and discrete. Tania opened the door and I was gobsmacked as she looked so much better than her pics. Up the stairs to a darkened bedroom with a nice ambience. Got the business psrt out of the way, had a little chat as what I wanted and then she proceeded to give me a wonderful GFE, Kissing was very important to me and she was delicious. NO cim ro owo, see her website for all details. Tania is well educated and I felt very much at home. Sex was superb and there was no rush. An excellent half hour and I will be going back asap as I think I have found a gem x x x . GentlemanD
