Details of Service Provider:

The Premises:

Council flat, though not the worst of its kind. Two other WGs in residence. Neither was anything special.

The Lady:

Medium height, dyed dark hair, neither fat nor slim. Good firm medium breasts. Nothing special to look at.

The Story:

Romanian girl who advertises under the name "Thalia Sexy Girl". The photos on her web page are flattering or of a different girl. In reality, slightly porcine features and rather more thickset than as shown. Slightly hurried service. On the upside, good breasts (see above) and good value at ?100 for an all-inclusive service including filming and additional services. Not unfriendly, though hardly a GF experience.
