The Premises:

WEP are no longer in the basement flat near Warren Street. This place is just around the corner, very discreet apartment with intercom access.

The Lady:

The definition of a milf! Late 30s, very pretty, great figure.

The Story:

This was a really good punt, excellent VFM for Central London.

I knew Tanya from a different place but hadn't seen her for about 3 years and was therefore chuffed to learn she was still on the scene. She hasn't aged a bit, nor lost her enthusiasm for the job.

Tanya provides a proper, full-on GFE with loads of DFK. In our hour, we did OWO, RO, anal play and sex in a few positions before I finished off fucking her in deepstick.

No rushing afterwards as we chatted, catching up after a long time. It was great to see her again and hopefully it won't be another 3 years before the next time!
