The Story:

Absolutely amazing. Alex has a body built for sin, a mind to match and a great personality. I won't go into a blow by blow, but 4 days later I'm still recovering. Anal, gagging, spanking, rimming and a finger up my arse, all encouraged by her. Complete and utter filth, and I'd recommend her to anyone.

A warning, though; Alex responds so enthusiastically to receiving oral and tastes so great that you may intend to be down there for 10 minutes and three quarters of an hour later find yourself standing up with a drenched face, a sore tongue and a desire to do it again.
