Amount Paid: 150

Recommended: Yes

Details of Service Provider:

Profile Name: Executive Escorts

Website: <http://www.executiveescortsmidlands.co.uk>

Phone: 07900853090

The Premises:

Usual place reported on before. Nice clean apartment in new build block. Very safe & discreet, good free parking round the corner.

The Lady:

In a word: fantastic! About 5ft 7 in bare feet. Slightly tanned skin that is perfect all over, pierced navel, about size 8, gorgeous face that she could model with & a smile that lights up the room. Best bit last: fantastic bust - about 34dd & all natural & superb to caress & play with.

The Story:

I had met her once before many months ago, and she was a bit too chatty that day (or maybe I was in a bad mood), so I had filed her away as only a maybe, but I had forgotten how gorgeous she is & I reckon the boss has had a word about how to treat the punters, because this time she did everything right & made me feel 20 ft tall & the most important man in the world to her.

I won't go into the juicy details of what we did, but let's just say she does everything VERY well & makes it obvious if she is enjoying herself. Every bit of her smells & tastes fantastic too. Her navel piercing looks great on her lovely slim body & she has a small tattoo, but I won't say where or describe it in case she gets recognised.

As a bonus, she is also very intelligent & friendly with it, so you can chat about anything to her & she will engage with you if that's what you want. She has a job that is quite exciting too which makes her even more interesting but again I won't say what it is here.

All in all I would give her 11 out of 10 if I could & would say that this girl is now at the top of my list together with two other girls from this agency (who I won't name - but they know how much I like them).

Guys, if you want to actually spend some time with a girl who wouldn't look out of place on a catwalk or on a millionaire's arm, this is the girl for you.

Thumbs up again to Harry & Sky for finding another good one!
