The Premises:

Private house (bungalow) reached down a footpath. Very discreet with very little chance of being seen by neighbours. Entrance not overlooked and Claire lets you immediately. Room and clean and tidy with a nice double bed.

The Lady:

Pretty brunette with a gorgeous curvy figure. Definitely NOT one for people who like stick insects

The Story:

Gave myself a birthday treat. It was nearly a year since I had seen Claire and we hadn't managed to hook up on a couple of occasions, but I remembered what I great time I had previously.

Claire met me at the door dressed as I requested in a demure blouse and skirt. As soon as I was through the door she launched herself at me and we went into a prolonged bout of french kissing. Claire is slightly sub and likes to be bossed around - so it wasn't long before I pulled her hair and forced her onto her knees and made her give me blow job. I just love the way Caire takes my dick in her mouth, including really deepthroat. Then it was on to the bed for a really great session of sex in several positions including more owo. Claire loves to be dominated with her being gently pulled, and her peachy arse slapped. I was only too happy to oblige, and she made sure I was totally drained by the end.

Once again it was a really great session, I really clicked with Claire and we both enjoyed a really great and satisfying time.

Next time will make sure I don't leave it so long. Top lady and well worth a visit.
