The Lady:

Jenny is a mature lady with a body that many girls half her age would envy. A boy they would!

The Story:

I have been trying to get back to Debbie's for the last 4 years as work has lead me further away. But today I found myself in South London and I was very horny! I have seen Jenny before as a maid and have always wanted to see her following her appearance on the web site and today was my lucky day.

I did not have to wait long to see Jenny and opted for the house special, having had this before with Debbie and I was not disappointed, Jenny is fantastic at what she does and to say we both had a very, very good time would be an understatement. I will not go into full detail but she knows how to tease and how to make you want more. I know I made her want more as well and I wish we could have gone again! I know I could maybe next time.

Jenny made me a very, very, very happy man and I will be back, maybe on a Sunday for the special...

Jenny you are a treat and I hope all treat you well, I will be back x
